To the Directors of Kids' Health Links Foundation

Independent Auditors' Report

Qualified Opinion

We have audited the accompanying financial statements of Kids' Health Links Foundation (the Foundation), which comprise the statement of financial position as at December 31, 2020, and the statements of operations, changes in net assets, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Kids' Health Links Foundation as at December 31, 2020 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Qualified Opinion

In common with many not-for-profit organizations, Kids' Health Links Foundation derives revenue from fundraising and donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to amounts recorded in the records of Kids' Health Links Foundation. Therefore, we were not able to determine whether any adjustments might be necessary to contributions, excess of contributions over expenditures, assets, and net assets for the years ended December 31, 2020 and December 31, 2019.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Foundation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian Auditing Standards (CASs), we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing
 an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to Financial Statements

Year Ended December 31, 2020

1. Nature of operations

Kids' Health Links Foundation (the "Foundation") achieved charitable status effective June 25, 2007.

The purpose of the Foundation is to develop partnerships and technology to help children in medical care stay connected to their family, friends and school.

2. Significant accounting policies

Basis of presentation

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations.

Cash and cash equivalents

Cash and cash equivalents consist of cash on hand and balances with banks.

Financial instruments

The Foundation's financial instruments consist of cash and bank, accounts receivable, and accounts payable and accrued liabilities. All financial instruments are initially recognized at fair value and subsequently measured at amortized cost. Transaction costs and financing fees associated with financial instruments carried at amortized cost are recorded as adjustments to the initial fair value recognized and amortized over the life of the financial instrument.

Capital assets

Capital assets are recorded at cost. Amortization is provided as follows:

Computer equipment 30% declining balance

Revenue recognition

The Foundation follows the deferral method of accounting for contributions. Unrestricted contributions are recognized as revenue when received or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured. Externally restricted contributions are recognized as revenue in the period in which the related expenses are incurred.

Contributed services

These financial statements do not reflect the substantial value of services contributed by volunteers, and other interested parties because the fair market value of such services are not readily available.

Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expense during the period. Actual results could differ from those estimates.

Notes to Financial Statements

Year Ended December 31, 2020

2. Significant accounting policies (cont'd.)

Government assistance

The Foundation recognizes government assistance when amounts are determinable and collection is reasonably assured. Government assistance received towards current expenses or revenues are included in the determination of net income for the period.

3. Capital assets

·		Cost	umulated ortization	2020	2019
Computer equipment	\$	4,420	\$ 2,762	\$ 1,658	\$ 1,042
Intangible assets		Cost	 umulated ortization	2020	2019
Rights to Upopolis Technology	\$	1	\$ -	\$ 1	\$ 1
Accounts payable and a	ccrued	liabilities		2020	2019
Accounts payable and accr	ued lial	bilities		\$ 13,423	\$ 15,013

6. Government assistance

During the year, the Foundation received government assistance in the form of a grant from Community Foundations of Canada totalling \$24,915 to support the Foundation's Umind Post-Covid Support Webinars program. As a portion of this assistance relates to programs which will occur in 2021, \$8,305 has been recorded a deferred contributions and will be recognized subsequent to year end.

7. Donations

	2020	2019
Contributions	\$ 67,777	\$ 20,072
Donations	155,234	251,905
Government grant	16,610	
	\$ 239,621	\$ 271,977

15,011

21,728 \$

Notes to Financial Statements

Year Ended December 31, 2020

8. Donations and gifts

During the year, the Foundation made the following donations:

		2020		2019
	Canadian Child Life Institute	\$ 800	\$	700
9.	Fundraising events & program development			
		2020		2019
	Fundraising revenue	\$ 48,196	\$	146,124
	Less: Fundraising expenses	(29,668)		(92,166)
	Less: Program development costs	(99)		(7,109)
		\$ 18,429	Ş	46,849

10. Related party transactions

During the year, the Foundation entered into transactions with related parties in the normal course of operations. These transactions, accounted for at their exchange amount, which is the amount of consideration established and agreed to by the related parties, are as follows:

	;	2020	2019
Professional fees paid to Alythea (a company run by the daughter of a			
Director)	\$	2,943	\$ 24,839

During the year, the Foundation received a material amount of contributions from members of the Board of Directors.

11. Financial instruments

The Foundation's financial instruments consist of cash and bank, accounts receivable, and accounts payable and accrued liabilities.

Unless otherwise noted, it is management's opinion that the Foundation is not exposed to significant credit, liquidity, interest, market, or currency risks.

12. Impact of COVID-19 Pandemic

In March 2020, the COVID-19 outbreak was declared a pandemic by the World Health Organization. This has resulted in governments worldwide, including the Canadian federal and provincial governments, enacting emergency measures to combat the spread of the virus. These measures, which include the implementation of travel bans, self-imposed quarantine periods and social distancing, have caused material disruption to businesses globally and in Canada resulting in an economic slowdown. Governments and central banks have reacted with significant monetary and fiscal interventions designed to stabilize economic conditions, however the success of these interventions is not currently determinable. The current challenging economic climate may lead to adverse changes in cash flows and future operations, which may also have a direct impact on the Foundation's operating results and financial position in the future. The situation is dynamic and the ultimate duration and magnitude of the impact on the economy and the financial effect on the Foundation is not known at this time. Management is carefully monitoring the situation as developments occur.
